

Attention Users: Burma Road roadway construction.

Burma Road will be closed to all traffic from the Whitetail Ridge Recreation Area (Ski Hill) to Range 17A (D-5) starting 18 March 2022 and run through the summer. All entrances to Burma Road will be barricaded.

Due to the Burma Road closure Training Areas D-7 and M-7 will be closed to all recreational use. Anglers will need to take an alternate route to access Lost Lake and North Flowage. We appreciate your support and patience.
