

## **How do I purchase my Awarded Fort McCoy Permit in the WDNR GoWild Licensing System?**

Instructions for those who have been awarded a Fort McCoy Fall Turkey, Cantonment Archery, Gun-deer, Disabled Gun-deer, or Trapping permit and need to purchase the permit(s) through the WDNR GoWild licensing system.

Using the WDNR GoWild Licensing system, you will select the associated Fort McCoy Tag from the **Featured Products** section of the catalog. With permits that have more than one tag, you will select one of the tags listed and the system will walk you through the sales process to the shopping cart. The GoWild system will require the Fort McCoy permit and the state license if you have not already purchased one. For permits that come with 2 tags (Fall Turkey & Cantonment Archery) you will need to “Keep Shopping” from the cart to get back to the catalog and select the Ft McCoy Tag again to get the 2<sup>nd</sup> one into the cart before checking out. <http://screencast.com/t/SIU2HqoP> For Ft McCoy permits with only one tag or none at all, you will not need to Keep Shopping.

The (\$0.00) tag is not a valid Fort McCoy permit. When selecting the Ft McCoy Tag you will be prompted to select the Fort McCoy permit with the permit fee amount.

### **Fort McCoy Permit Costs**

Fall Turkey Permit \$13.00 (2 carcass tags)  
Cantonment Archery \$13.00 (2 carcass tags)  
Gun-Deer Permit \$21.00  
Disabled Gun-deer Permit \$10.00  
Trapping \$20.00

For the Ft McCoy permits that do not include any tags (Gun-deer), you would just select the Ft McCoy product from the catalog which will also be listed in the Featured Products section.
