

Fort McCoy Non-Hunting/Fishing Activities

Appendix H to Fort McCoy
Regulation 420-29

Important

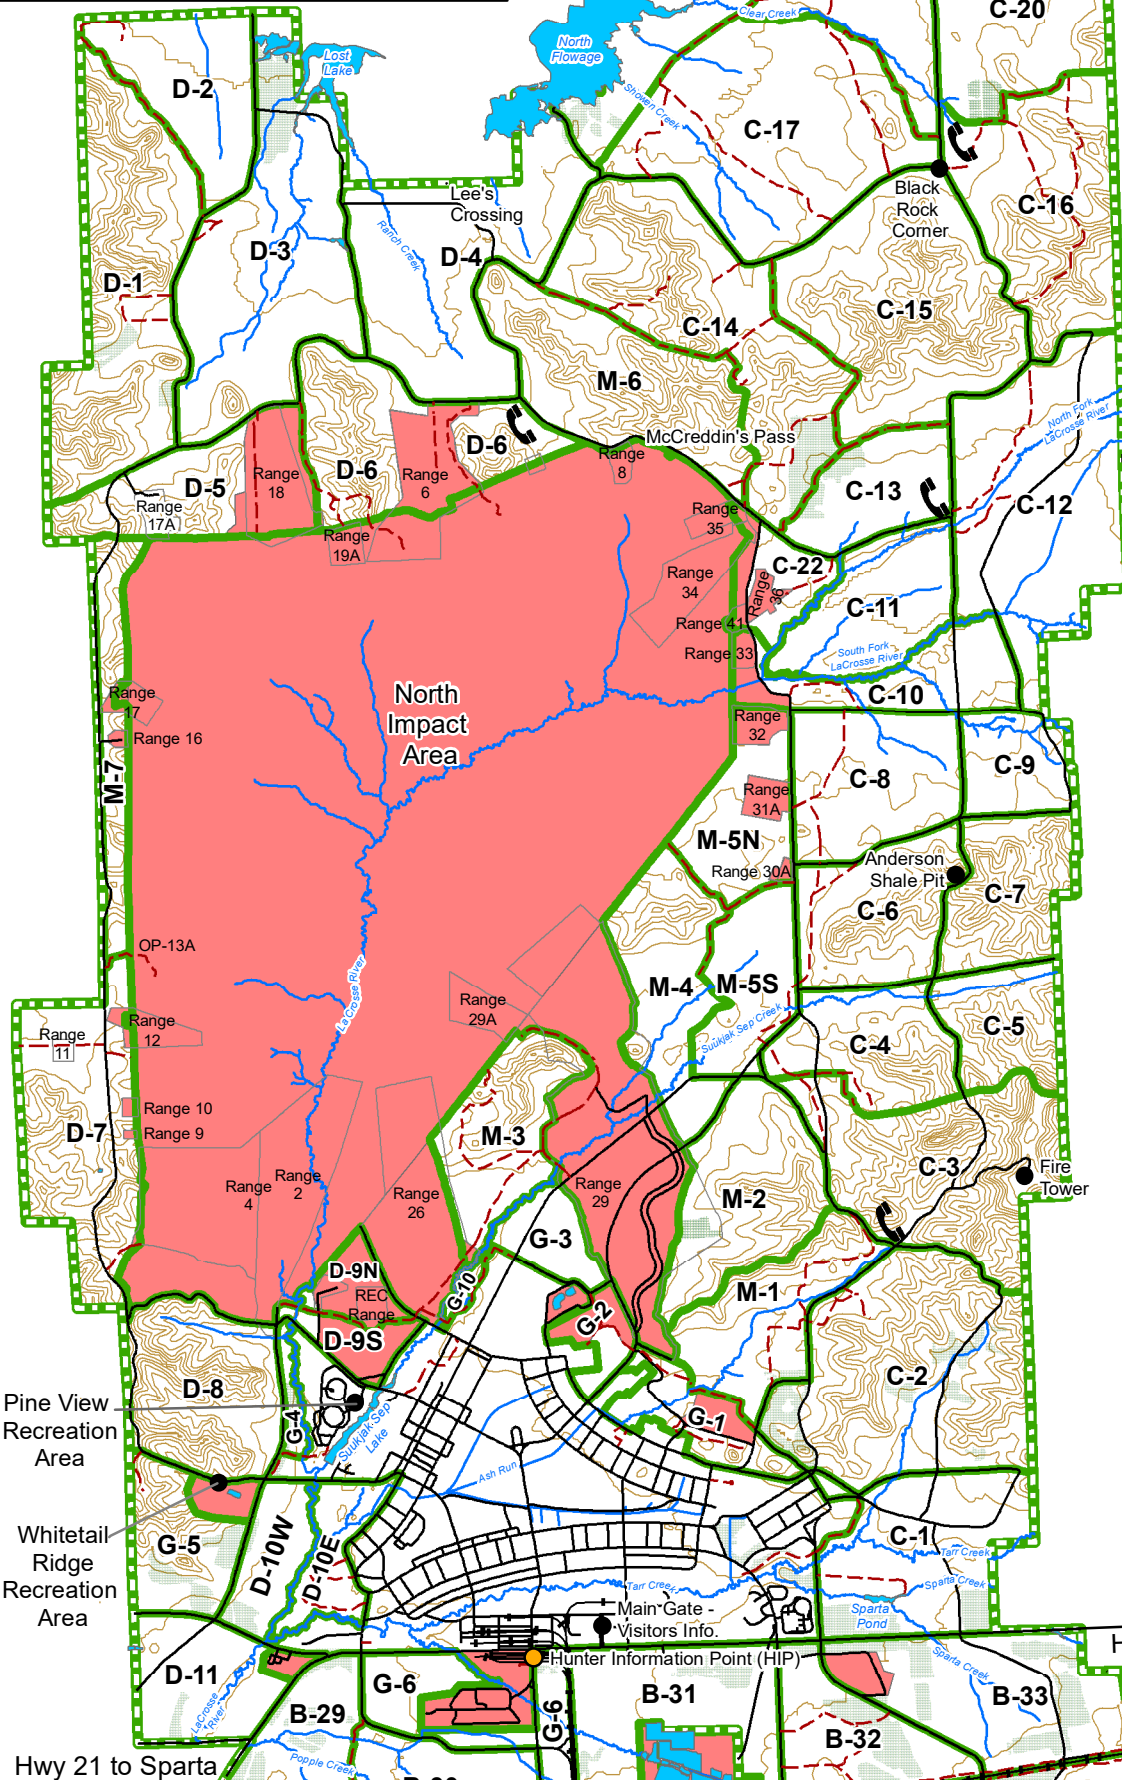

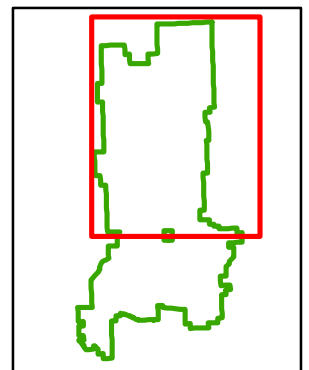

Fort McCoy has Land Rehabilitation and Maintenance (LRAM) sites in various training areas on the installation. The LRAM program has sites and select trails that are being repaired and revegetated. LRAM sites are clearly marked with red and white signs and yellow LRAM tape and should not be disturbed.

Vehicle traffic is **PROHIBITED** on the firebreak / boundary of Fort McCoy and the North Impact Area
